## Newsletter 2

### Summer Term 2022

#### Headteacher Message

As we head towards the last week of this year we are putting final plans in place for September 2022. The New Curriculum For Wales will start in September. We have produced a Summary that will be published for September 2022 which has been ratified by our Governors. We have sent Information Newsletters about the New Curriculum For Wales to you this year and we will publish an 'Overview' of our plans for next year which you will be able to see.

Many parents have been asking about the 'New School' build. The process for this development has started and when Bridgend County Borough Council communicate the timescales and process we will pass on all information as we get it.

#### Extreme Weather

As I'm sure you are aware, high temperatures have been forecast for parts of Britain on Monday and Tuesday. We will continue to ask you to send in pupils with School uniform clothing that covers shoulders, with hats, and filled water bottles. Please make sure they have sun screen applied before coming to School. We will follow the advice from Public Health Wales which has been sent on ClassDojo with this newsletter.

#### Sports Day

It was wonderful to complete our Sports Day sessions this week. Having been so long since pupils had been under the pressure of being in front of an audience it was very pleasing to see all the pupils taking part and thoroughly enjoying themselves.

#### Teachers and Classes for September 2022

As we do in most years, many teachers and support staff will be in different classrooms, teaching different year groups next year. Pupils will be informed of their new classes on Tuesday and will have a Transition lesson that day where they will meet their new teachers and staff and discuss what they will be learning from September 2022.

#### Year 6 Leavers

Our Year 6 pupils are heading towards their final week at Corneli Primary next week. They enjoyed their 'Prom' a fortnight ago and they have a Leavers Evening planned for next Thursday.

#### Important Dates

**Friday 22<sup>nd</sup> July -Last day of Term for the pupils**

**Wednesday 7<sup>th</sup> September – First day of Autumn Term for pupils**
