#### **Covid Situation Update**

This term, particularly the last few weeks have been very challenging for Schools, due to positive Covid cases. It has been extremely difficult to engage any supply teachers or supply staff due to the high case numbers overall creating huge demand for supply teachers and staff. At Corneli Primary we have managed, through reorganising staff where need has arisen, to maintain all our classes this term. We are still following Welsh Government advice and Guidance for Schools and positive cases are still requested to isolate from School. We have continued our systems through this term and will review this for the summer term. I would like to thank you for your patience and understanding during this time.
